Planted acreage	:	35,5 acres
Grape varieties	:	80% Merlot - 20% Cabernet Franc
Type of soil	:	gravel
Production	:	approximately 45,000 bottles

This great château is located on the plateau of Pomerol next to its famous neighbours Château LAFLEUR and Château PETRUS. It was acquired by Ets. Jean-Pierre MOUEIX in 1953.

A unique opportunity occurred in 1994 when Ets. Jean-Pierre MOUEIX acquired from Miss Marie ROBIN (also the owner at the time of Château LAFLEUR) a 10-acres block originally belonging to Château LE GAY and spreading over a wonderful hillock facing Château LAFLEUR. On this hill stood an old but elegant house dating back to 1782 which in 1996 was completely restored and equipped with a new cellar and became the new Château LA FLEUR-PÉTRUS.

Château LA FLEUR-PÉTRUS's deep gravel gives the wine its elegance and distinction. The addition of old Cabernet Franc from Château LE GAY has provided a core to the wine, perfecting its harmony.
